Unique Submission Deadline: Standard vs Exceptions

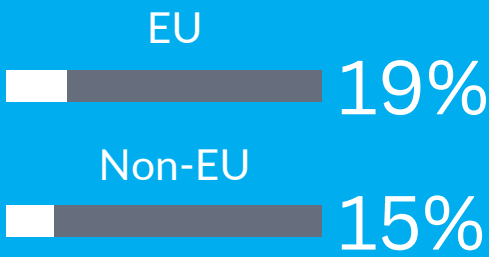

- EU Standard Deadline:** Most EU countries follow a standard submission deadline.
- Notable Exception in the EU:** The Netherlands stands out with a much later deadline.
- Shared Deadline Across Multiple Countries:** Despite regional differences, several countries outside the EU, **Monaco, Montenegro, North Macedonia, Saudi Arabia, South Korea, Serbia, and Switzerland**, share a uniform submission deadline.
- Discrepancies in Deadlines:** Beyond these examples, many countries have their own unique timelines, making it crucial to stay informed.

Most EU countries follow a similar submission deadline, but a few stand out with unique timelines. Curious which ones break the norm? To find out, download the complete table.

Average VAT Rate: EU vs Non-EU

- EU Average VAT Rate:** Across various industries, the average VAT rate in the EU stands at **19%**.
 - Non-EU Average VAT Rate:** For countries outside the EU, the average VAT rate is slightly lower, at **15%**.
 - Industry Variations:** While these averages provide a general overview, it's important to note that VAT rates can vary significantly across different industries in each country.
- See how this compares to non-EU countries and explore the industry-specific variations in our full table.
